Upon selecting their desired category, artists will be asked to select ONE (1) piece to be considered by the contest judges. The theme of the contest is "Celebration." Artists are encouraged to submit pieces to honor the variety of hues, intense saturations, and unique light quality your idea of the word "Celebration" represents.. Pieces which reflect an interaction with the theme will be given deference, but all submitted works will be given consideration. The judging criteria will be as follows:

- Does the submitted artwork fit the theme of the competition?
- Is there a creative interpretation of the subject/ theme?
- Is the originality of the work interesting?
- Is there overall quality of craftsmanship and command of the medium being used?
- Does the work impact the viewer in relationship to the theme?
- Does the work stand on its own as a complete and outstanding creative image?
- The composition and design of the work is also a judging criteria.
