Hometown Holiday

HORSE PARADE

PRESENTED BY MAIN STREET GREENVILLE

Before you know it the most wonderful time of the year will be here!

We are gearing up for the 21st Hometown Holiday Horse Parade that will take place in downtown Greenville on Saturday, November 23, with a Celebration kicking off at 3PM to include family activities, dining, food trucks, holiday shopping, entertainment, and more!

The annual tradition has kicked off downtown Greenville's holiday season for two decades now with lighted horse-drawn carriages, hitches and riders. An estimated 8,000 spectators attended the event year after year which is why it's been listed in Ohio Magazines best parade list 4 times in the last 10 years!

While the city provides approximately 20% of our operating budget, we count on business and individual donations to carry out all of the improvements in downtown Greenville. The support is crucial as we work to build community downtown and make Greenville a desirable place to live, work, play and visit!

We hope we can count on your support this year and want to include you as a member of our family of donors! Your tax deductible contribution will help support our ability to provide an amazing Annual Hometown Holiday Horse Parade and Celebration!

Please see the enclosed sponsorship form for sponsor levels and benefits.
