

With 50 planting opportunities throughout downtown Greenville, we are seeking community assistance in maintaining a beautiful and welcoming downtown environment. The Adopt-A-Box Flower Program is sponsored by BASF, with support from Miller Flowers and Flory Landscaping. How you can participate:

1. Get your family, business, church or organization together to adopt a flower box or a flower pot.
2. Attend **Downtown Planting Day, Saturday, May 21st between 8 am - 11 am** to help plant a location. Participants need to check in at the Courthouse Gazebo. Plants, soil and mulch are all provided and will be located at your planting location. A marker will be placed in your pot or box as a thank you for your caring and assisting in beautifying downtown.
3. Take pride in your planting! From time to time, make sure there are no weeds or trash in your adopted location!
4. Stay involved! If adopting a flower box or flower pot is too much of a time commitment this year, please consider donating to this project and other beautification projects by Main Street Greenville!

The Main Street Greenville Design Committee has selected the following flowers for 2022:

Flower Boxes: Zinnia Double Fire **Flower Pots:** Green Elephant Ears, Dark Leaf Red Canna, Coleus French Quarter, Lime Green Sweet Potato Vine, Begonia Whopper Green Leaf Red.

cut & return bottom portion with payment, please keep top for dates
